Brant Community Foundation
Building our Community. Investing in the Future.

Every grant from the Brant Community Foundation creates a ripple that is felt across the community.

2023/2024 Annual Report

from the Chair and Executive Director

Anne Marie Peirce Executive Director and Paula Thomlison Chair

Welcome to the Brant Community Foundation's 2023/2024 Annual Report. The theme of this year's report is "Looking Forward." We chose this for a number of reasons, one of which is that this year the Foundation launched its new forward-looking strategic plan. This provides the roadmap for the next three years as we grow and expand our ability to provide critical grants to charities across our service area. We truly are looking forward!

As part of the strategic planning process, we revised our mission and vision. Our revised mission now proudly contains the names of the communities we work hard to serve - Brantford, the County of Brant, Six Nations of the Grand River, and Mississaugas of the Credit First Nation. Check out the full revised statements later in this report.

As a grant-making foundation, we see first-hand how essential grants can be. Providing important funding to charities across all sectors makes for a balanced community. And the Foundation's impact continues to grow. This year, the Foundation's grants reached \$931,233. This includes grants across all fund types: donor advised, donor designated, unrestricted, scholarships & bursaries, and charity funds. This impressive sum translated into 162 grants benefiting 93 organizations across our communities. Additionally, the Community Services Recovery Fund was a Federal program helping charities to recover from the pandemic, and the Foundation's impact is felt by the \$442,000 in grants that it made for this program. This brings the impact of last year's granting to a staggering \$1.36 million, all for the good of our community.

Since our Foundation began making grants 25 years ago, the grant monies have increased each year. We are happy to report that over our history, \$8.5 million has benefited important programs serving our community.

This remarkable milestone is only made possible by our fund holders. These caring individuals, families and organizations have determined how they want to impact our community, and it is clear that they have in a real and tangible way. Each year grants are made according to their wishes. And as you see in the list of grants in this edition, and the Grants in Action that we feature, our caring community of fund holders support a broad array of needs throughout our communities. We remain ever grateful for your role in building our community.

We continue to work to build new endowment funds with donors who consider what is important to them, and create a fund that suits their philanthropic goals. This year, we welcome the following funds to our family of fund holders: Nancy Sherritt Fund, Pat and Gabe Petrella Family Fund and the SC Johnson Fund.

While the Foundation awards a growing amount of funding each year, we would be remiss if we did not mention the role that we play in additional community granting programs. The City of Brantford relies on the Foundation to administer its \$630,000 Community Grants Program each year. And now, the Foundation determines grants totalling \$300,000 for the County of Brant Community Grants Program. Through our grantmaking experts, the Foundation is ensuring that agencies across our communities can count on vital support when they need it the most.

We pay tribute to two individuals who meant so much to the Brant Community Foundation. Nick Rizzo Sr. was a tireless advocate and volunteer leader for the not-for-profit sector. Nick was one of the founding Board members whose vision and foresight created the Brant Community Foundation. Twenty-six years later our Foundation remains a vital resource for donors and has provided millions of dollars in grants to essential programs at important organizations. We also honour the memory of Nancy Sherritt, a longtime staff member at the BCF. Her contributions to our organization as Administrative and Financial Coordinator were significant, providing guidance, support and wisdom in a myriad of ways.

Volunteers are essential to the work of the Brant Community Foundation, and we take this opportunity to thank each and every one of them. Each year, the many contributions made by the members of our Board and Committees gives us pause to reflect on what this means. It means that we have talented volunteers who have provided us with leadership, support, and professional guidance. It also means that as a major grantmaking foundation, the committees make sound decisions for the benefit of the communities we serve. Our thanks go out to our volunteers for their vision as to how we can shape the community, and for their role in moving the Brant Community Foundation forward.

As we look forward to another year of service to Brantford, the County of Brant, Six Nations of the Grand River and Mississaugas of the Credit First Nation, we know that it takes community to make community. Our fundholders, donors, Board members, volunteers and community partners have helped to build this Foundation, and we are firmly focused on looking forward, and working together for a bright future where our communities are a great place to live, work and raise a family.

Paula Thomlison

Grants in Action

With the addition of the Nancy Sherritt Fund, Pat and Gabe Petrella Fund, and SC Johnson Fund in the past year, the Brant Community Foundation now holds an incredible 113 active funds. In 2023-2024, these funds together provided \$931,233 in grants to organizations and programs throughout Brantford, Brant County, the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

As a 360-degree grant maker, the Foundation embraces a comprehensive approach to philanthropy, focusing on both immediate needs and the long-term wellbeing of our communities. Grants are distributed to dedicated charities and support essential, hopeful, and creative programs and initiatives that help to improve quality of life locally. These initiatives include food security, sports and recreation, arts and culture, environmental initiatives, health, education and skills development, community building, and more.

The organizations highlighted in the following pages represent just a few of the impactful grants awarded to charities over the past year.

Brant Food For Thought

Brant Food For Thought is one of the leading charitable organizations contributing to a child's ability to learn. They support and facilitate student nutrition programs in elementary and secondary schools in the City of Brantford and the County of Brant. Brant Food for Thought believes that all children and youth should have equitable access to the most nutritious foods possible during the school day.

The funding provided through this grant supports school-based breakfast, lunch and healthy snack programs. The Universal Student Nutrition Program ensures that all students have at least one healthy meal or nutritious snack during the school day to maximize their learning success when they come into the classroom. The Brant Community Foundation is thrilled to be a partner in supporting this vital service to the children and youth in our community.

Brant Waterways Foundation

Brant Waterways Foundation supports and advocates for projects that protect and enhance the Grand River and adjacent lands in Brant County, Brantford and Six Nations of the Grand River. Their Brant Tree Coalition Committee pursues natural restoration projects through community tree planting events.

The Brant Tree Coalition held its 11th Annual Brantford Community Tree Plant on April 27th, and thanks to this grant, were able to plant 1,000 native trees and shrubs at Brier Park. Orchestrated by student volunteers from a local high school, the event welcomed individuals, families and organizations from across the region. It was an enjoyable day where the trees and shrubs were successfully planted thanks to the dozens of volunteers.

The Brant Tree Coalition has now planted in total over 126,800 native trees and shrubs in the City and County. The Brant Community Foundation is delighted to be a supporter of Brant Waterways Foundation's Brant Tree Coalition and this 11th annual tree planting.

Glenhyrst Art Gallery of Brant

The Glenhyrst Art Gallery of Brant is a public arts centre for all citizens of Brantford, Brant County and Six Nations. Its role is to encourage appreciation, enjoyment and education in the arts.

Glenhyrst Gallery presents six annual exhibits which offer a snapshot of our local creative talent as well as contemporary and historical regional and national artists. This year's exhibitions scheduled included: Brantford native James Gardner, Arnold Jacobs of Six Nations of the Grand River, a permanent collection exhibit, Brantford-based Jeanette Obbink, group exhibit Destination Moon, and Vibrant Palette Student Exhibit.

The Gallery maintains that "Art is a catalyst for discussing our world in a creative and inviting way."

Through this grant, the Brant Community Foundation is pleased to support 2024 exhibits from these creative talents at the Glenhyrst Art Gallery of Brant.

Grand River Council on Aging (GRCOA)

The Grand River Council on Aging encourages the development of an age-friendly Brantford, Brant County, Six Nations of the Grand River and Mississaugas of the Credit First Nation.

This is carried out by “Promoting the Voices of Lived Experience” in civic participation, employment, communications, community support and health services, housing, outdoor spaces and buildings, respect and social inclusion, social participation, and transportation. The GRCOA offers ongoing education and awareness activities for the benefit of older adults, their families and caregivers, and the entire community, to enhance the quality of life as people age.

This grant from the Brant Community Foundation provides funding that assists in a variety of initiatives, including age-friendly community planning, engagement and connections for older adults such as the INFO HUB and Seniors Discount Directory, and information sharing through workshops, newsletters, social media and an age-friendly calendar.

Nova Vita Domestic Violence Prevention Services

Nova Vita works to end interpersonal violence and abuse by supporting individuals and families who have experienced domestic, intimate partner or gender-based violence through intervention, counselling, public education and systemic advocacy.

The Brant Community Foundation is proud to have supported funding for additional hours that enables a volunteer Coordinator to actively recruit, train, coordinate, engage, and retain volunteers for the critical roles that volunteers play at Nova Vita.

As well, the Foundation’s Youth Advisory Committee awarded a grant to Camp Nova this year. This is a daily summer program for children staying at the emergency shelter that provides play-based therapy and activities guided by Children’s Program Counsellors. The Brant Community Foundation is honoured to have supported both Camp Nova and Volunteer Services at Nova Vita Domestic Violence Prevention Services.

St. Joseph's Lifecare Foundation

St. Joseph's Lifecare Foundation raises vital funds for Stedman Community Hospice services and programming for community members in Brantford, Brant County, Six Nations of the Grand River, Haldimand, Norfolk County and Mississaugas of the Credit First Nation.

The hospice's Legacy Creation Program provides time and space for patients, families and loved ones to facilitate discussions and activities to help them create something that will make a memory – a hand-made memento that the patient may leave with their loved ones as a legacy gift.

Legacy creation can include activities such as letter-writing, card creation, a handmade hug blanket, molds of interlocking hands and other one-of-a-kind creations that will mean so much to the loved one receiving the gift.

The Brant Community Foundation is proud to have supported The Legacy Creation Program.

Why Not City Missions

Why Not City Missions has served the community of Brantford since 2002 by providing a safe and inclusive environment for social development, personal growth and empowerment of homeless and at-risk youth.

Many of the youth accessing their services have experienced trauma and these life experiences leave many facing anxiety, depression and other mental health challenges.

The Youth Mental Health Support program for ages 13 – 19, provides access to counselling services weekly within the youth centre. Having a counsellor on site gives youth opportunities for seeking help by providing one on one counselling sessions in a safe place they are comfortable coming to. The Brant Community Foundation is proud to have contributed towards Why Not City Missions' Youth Mental Health Support Project.

Endowment Funds For Good, Forever

Creating an endowment fund to benefit the community is the ultimate act of philanthropy. Anyone can create or contribute to an existing fund, where your gift will live on in perpetuity. This lasting legacy will be carefully managed and support the causes you care about.

Our Foundation has a wide range of funds to choose from that suit your interest. We have flexible fund

options that allow donors to name a fund at a certain minimum level. Many consider establishing a fund in their own name, as a family, or to honour someone they care about.

The following is a list of funds that the Brant Community Foundation holds, created by community-minded citizens and organizations.

Donor Advised Funds

Donor Advised Funds provide donors with the opportunity to be involved in recommending the annual grants from their Funds. Donors can count on Foundation staff for support in these decisions.

Anonymous Fund

Barbara L. Lee Sisson Fund

Bill & Dorothy Campbell Fund

Calbeck Family Memorial Fund

City of Brantford Mayor's Gala Fund

Donald & Jo-Anne Wilkin Fund

John & Leah Huigenbos Fund

Nick and Glayde Rizzo Family Fund

Ron & Joan, John & Kathryn, & Rod Underwood Fund

Roy and Shirley Steedman Fund

SC Johnson Fund

Sharp Family Fund

Terry Stewart & Joan Stewart Butcher Family Fund

Donor Designated Funds

With a Donor Designated Fund, donors may specify a charity as the beneficiary of their grants each year in perpetuity.

56th Field Artillery Regiment RCA United Fund

Brant Taletellers Guild Fund

Colonel Donald D. Williamson Fund

Dale & Gertrude Franklin Fund

David & Joyce Moss Endowment Fund

Douglas & Jayne Bowman Brant United Way Fund

Dr. J. Jay Hill Farringdon Burial Grounds Fund

Dr. J. Jay Hill Fund for St. Andrew's United Church

Dr. J. Jay Hill Fund for the Stedman Community Hospice

Dr. Jacqueline DeLong Early Learning Bursary Fund

Friends of Myrtleville House Museum Fund

George Amaolo Environment Fund

Hooton Family Fund

James N. Forbes Crime Stoppers Fund

Jay Hitchon & Patrice Burke Fund

John G. Wilson Family Fund

Community Involvement

Youth Advisory Committee

The Brant Community Foundation Youth Advisory Committee (YAC) is a committee made up of high school students who want to make a difference in their community. Our YAC members are highly committed, energetic and want to be actively involved in shaping the future of their community.

One of the key roles the Committee plays is to receive and select grants for the Ontario Endowment for Children and Youth in Recreation Fund. Last year the YAC thoughtfully considered applications to the fund, granting over \$4,700 to four organizations serving children and youth. They are:

- Arnold Anderson Sport Fund – Sponsor a Child
- Navy Leage – Fun and Games
- Nova Vita – Camp Nova
- STEM Camp

The Youth Advisory Committee, along with other Foundation Board and Committee volunteers took part in the 11th Annual Community Tree Planting sponsored by the Brant Tree Coalition. There were 1,000 trees planted that day, which added significant trees and shrubs to Brier Park in Brantford.

Create Your Legacy

Supporting Your Philanthropy

Fund holders are at the heart of the work that the Brant Community Foundation does. These visionary donors make a profound impact across the communities we serve. The stories of how people have come to the Foundation to talk about their legacy are as different as the number of endowment funds we hold.

Thankfully, the Foundation has many different types of funds that are bound to suit your needs. We have many fund holders who have set up their fund and have the satisfaction of seeing grants make a difference today. Others would like to leave a gift in their will to establish their fund. Talking to us helps to outline how the gift will be used in the future.

We have the pleasure of speaking with many community members who want to do good things with their philanthropy - people like June and Tom Hird. Mr. and Mrs. Hird had been thinking about creating a fund for many years. As they considered the future, June and Tom knew they wanted to create a legacy in their name that could go on forever. The perpetual nature of the fund was what drew them to the Brant Community Foundation. They followed the Foundation, watched it grow in impact over time, and read about its successes.

When the Hirds came to discuss their philanthropic goals, they had pretty much determined what their fund would look like. This is thanks to the information the Community Foundation has provided in the media and on its website. The June and Tom Hird Fund is a "donor designated" fund, where the annual grants are made to their chosen charity. The Hirds had given their fund a lot of thought, and determined that the Stedman Community Hospice would be the beneficiary. It is a charity they have been supporting for years, and knowing this important organization would receive grants each year in their name was gratifying to them.

Stephen Kim is also someone who wants to impact our community. A local dentist, Dr. Kim is passionate about giving to those in need, and it is part of the ethos of his practice: great dental care with great community support. Dr. Kim has already been a big supporter of healthcare, supporting local hospitals. He liked the idea that he could create an endowment that makes a positive impact on the needs of our community.

You might say that Dr. Kim became aware of the Brant Community Foundation by word of mouth. Several of his patients took the opportunity to talk about their own philanthropy during visits, and he became intrigued.

The Dr. Stephen Chul Kim Fund is a "donor advised" fund. This means that each year, Dr. Kim chooses the charities that will receive the grants. Many fund holders make different granting choices each year, often informed by community needs, or special gifts they would like to make. Dr. Kim is passionate about giving to those in need, and the flexibility of naming different beneficiaries each year is attractive to him.

We are thankful that we were able to assist Tom and June Hird, and Stephen Kim as they created their funds at the Brant Community Foundation.

The Brant Community Foundation is uniquely positioned to help translate vision into action. We can help you make a positive impact in our community each and every year, now and in the future.

Our Foundation will:

Provide excellent service in setting up your Fund.

An experienced team assists you to set up a fund that meets your needs. Whether a specific charity, a field of interest or an unrestricted gift to address changing community needs, we are here to help create a fund that is meaningful to you.

Provide strong leadership in managing the endowment.

We work with an Investment Advisor to ensure responsible investing practices so that our funds can grow their impact over time.

Make grants according to your wishes.

Our expertise helps to create a framework for a fund that ensures that grants will be made respecting your wishes today with flexibility that allows us to respond to future challenges.

Think about the legacy you would like to leave and call us if we can help.

About the Brant Community Foundation

Our Vision

A strong and vital community that has the resources to enrich the quality of life locally.

Our Mission

To award meaningful and impactful grants to ensure community vitality across Brantford, the County of Brant, Six Nations of the Grand River, and Mississaugas of the Credit First Nation, by attracting donations and ensuring the responsible stewardship of our permanent endowment.

The Brant Community Foundation is a registered charitable public foundation. We are governed by a volunteer Board of Directors.

We serve the communities of the City of Brantford, Brant County, Six Nations of the Grand River and the Mississaugas of the Credit First Nation. We ensure important support for programs across a broad range of sectors so that everyone can benefit from the Brant Community Foundation's grants.

Our Foundation is a member of Community Foundations of Canada and part of a national network of 201 community foundations. As a member of the Community Foundations of Canada, we adhere to a rigorous set of standards and build community vitality by sharing these three roles with our peers across the country:

- We bring donors to the table as community builders and help them formulate and realize their philanthropic goals, matching their interests and concerns with community needs and organizations and finding innovative and responsible ways to give their investments lasting impact.
- We take the broadest view of what a community is and what it needs to succeed. That is why our grants support a wide range of needs from shelter, sustenance, and care for those most in need, to recreation, the arts and the environment.
- As a community convenor, we bring people together from all parts of the communities to stimulate new ideas, build participation and strengthen philanthropy. We cross many sectors and take an independent view of community issues, while being able to champion the interests of the community at large.

Our Guiding Principles

These principles describe the ideals we strive for in all we do and all we say, all for our community:

- We build community vitality.
- We listen to our communities.
- We build community assets and champion philanthropy.
- We create opportunities for dialogue, inclusion, diversity, and reconciliation.
- We grant for breadth and impact.
- We share what we know.
- We are responsive and accountable.
- We tackle pressing issues and foster renewal.
- We embrace partnerships.

The Community Foundation Difference Our special strengths

- A long-term view: Because community foundations focus on building permanent endowments, they are able to tackle long-term community challenges as well as immediate needs.
- Permanence: Gifts to a community foundation endowment meet community needs in perpetuity.
- Community-based, personalized donor service: community foundations are uniquely equipped to help individual donors meet their particular philanthropic goals by providing in-depth knowledge of community opportunities along with expertise in a wide range of flexible charitable giving options.
- A broad perspective: Community foundations make effective grants and develop networks in a wide range of sectors.
- Commitment to community service: Community foundations are broad-based, volunteer-driven local organizations.

- Accountability: As responsible members of the voluntary sector, community foundations strive for flexible, transparent governance and leadership practices that welcome volunteer involvement, encourage dialogue among diverse voices in the community, and inspire commitment to philanthropy.

Through the Brant Community Foundation, you have an opportunity to make a lasting difference in your community and to help shape its future. The donation you make, whether received during your lifetime, or afterward through a bequest in your will or a life insurance policy, will be invested as permanently endowed funds to generate income for charitable purposes in the community, year after year. When you set up a permanent fund with the Foundation, you may select from the several different types of funds, and choose an appropriate name by which the fund will be known.
